Travis and Kylie both wrapping up warm against the February chill. MORE: 7 most expensive celebrity-owned cars. Kylie shared with fans that they were taking their "baby to her favorite place," and in pictures published by the Daily Mail , they were seen on the boardwalk. Kylie wore a large black bomber jacket, paired with baggy jeans and a bodysuit, while rapper Travis kept it casual in an all-black outfit. The doting dad kept a close eye on his daughter as they walked along the boardwalk, with Travis holding her sneakers as Stormi enjoyed the cool sand. Their trip comes a week after Stormi's third birthday, which Kylie celebrated with a big family party at their home. Kylie shared photos on Instagram from the event, revealing she had hired an inflatable slide featuring Stormi's head at the top of it - a hit with all the Kardashian kids. She also transformed the inside of her home to look like a princess castle, complete with balloons, a craft area, and a tasty looking buffet filled with sweet treats. There was also an ice cream stand and food vendors in the garden. Kylie posted a heartfelt tribute, admitting that she was finding it hard to accept that her baby was growing up so quickly. She wrote: "Thank you God for sending this little soul to me. Crying today because I can't stop the time. It's all the little things I'll miss like your cute voice and our long talks on the potty. A fantastic few hours with Kegan; what a knowledgeable and top guide, providing everything you could want in pitching the information in the right manner for the differing mix. From pickup at hotel to dropping off, everything was organised and planned really well, the driver Jeff? Very comfy jeep travel for the long day out hours round trip. Small group of 9 in the jeep. Couple of stops round the west rim plus hoover dam tour. Managed to spot quite a bit of wildlife along the way which was a lovely surprise. Pack lunch provided that was pretty good - sandwich and snacks Plenty of time at the canyon to wander about and take photos and soak up the atmosphere. Our tour leader, Jennifer, was the best. So accommodating and informative. So glad we got her as a guide. Had a fun day on this tour. But you see a lot and learn a lot. Tour guide was certainly knowledgeable and made it stress free where trying to accomplish the same things could have been hectic. Thank you for writing a review! We are happy you enjoyed your tour out of our Las Vegas location. We were picked up by Andrew our guide for the day on time. Drinking water was provided. A real credit to Pink Jeep Tours. The journey first took us to Dolan Springs where we were able to use the toilet and buy some food from the local shop. Then on to the Canyon chopper airport. Once back at the airport you have about 10 minutes for buying souvenirs. Back in the jeep and on to the main viewing spot of the Canyon. Back to the jeep them off to the Hoover Dam. You then park on the primary other side of the dam and get out in the far car park for pictures. Note that you don't get the chance to actually walk the dam which was a shame. Still the view is of the lake and intake side and is great. Back in the jeep to a cowboy town theme park. Kids would probably enjoy it more. We all enjoyed the day and would definitely recommend it to others. Skip to main content. Log in to get trip updates and message other travelers. Pink Jeep Tours Las Vegas. Book In Advance.
